Kansas Children's Service League
Stronger families start here.

Kansas Children's Service League serves as the state chapter of Prevent Child Abuse America, and annually serves nearly 20,000 children and families across the state in the prevention of child abuse through our child abuse prevention, school readiness, education, and family/parent support programs.

97% of the children we serve remain at home with their family and are not placed in the foster care system, as we conduct weekly in-home visits to end the generational cycle of child abuse.

Over 3,000 children ages 0-5 were served through Kansas Children's Service League early childhood programs.

The safety and health of children starts with strong families and families play a critical role in shaping the future of our society.

Every 48 seconds a child in the United States is abused.

Must be 18 years of age or older to gamble. Owned by the Prairie Band
Potawatomi Nation. Getting help is your best bet.
