YMCA OF TOPEKA

At the Y, we connect people with opportunities that help improve both their lives and their communities. By empowering young people and improving community wellbeing we aim to inspire action and create meaningful change in Topeka and the surrounding communities.

We welcome everyone at the Y which is why our programs, services, and initiatives are wide ranging. We want to inspire kids to see and realize their own potential, prepare teens and young adults for college or a career, provide opportunity for family and community bonding, and to support everyone to be healthier in spirit, mind and body.
