FAMILY SERVICE & GUIDANCE CENTER

Family Service & Guidance Center (FSGC) is a community mental health center and innovator in children's mental health. Established in 1904, FSGC provides top-quality services to nearly 12,000 children, teens and families from more than 30 Kansas counties each year. Services include individual, family and group therapy; child and adolescent psychiatry; an anxiety treatment program; crisis services available 24/7/365; outpatient substance use disorder assessment and treatment; the Happy Bear abuse prevention program; and many more.

Proceeds from May Charity Bingo will benefit FSGC's \$500,000 "Building to Heal" Campaign and will help purchase furniture, fixtures and equipment for FSGC's new Youth Crisis & Recovery Center. The Center will be a 24-bed, 24,000-square foot facility for the treatment of children and teens who are experiencing a severe mental health crisis. It will also house FSGC's new youth substance use treatment program for youth living with mental health challenges and a substance use disorder. The Youth Crisis & Recovery Center will provide a range of services that are not currently being met in our community. Construction is slated to begin by March 31, 2022, and the building is scheduled to open in spring of 2023.

Bingo Charity Game

All buy-in packs include 1 charity game with 50% of sales for the month going to a local charity.
Additional games can be purchased and direct donations can be made as well.
