CHILDREN'S MIRACLE NETWORK

Stormont Vail Health is proud to be one of 170 Children's Miracle Network Hospitals. CMN Hospitals provide the finest medical care, life-saving research and educational services. Funds raised for Children's Miracle Network at Stormont Vail support medical advancements in the neonatal unit and pediatric units, which allows our children's services to thrive with the extra support. Through the help of our local fundraising programs and partners, often fundraising \$1 at a time, amazing medical care is happening in our community every day.
