Topeka Sertoma Clubs have been involved for decades in supporting hearing health programs and projects that help those impacted by hearing loss throughout the communities it supports in Northeast Kansas, such as providing free recycled hearing aids to hundreds of seniors living under the poverty level, unable to afford them, plus a lifetime supply of batteries. Topeka Sertoma Clubs are part of Sertoma's international family of local civic service clubs. A thriving nonprofit service organization that has been in existence for over a century, Sertoma is dedicated to improving the quality of life for those at risk or impacted by hearing loss through support and education.

The generosity of Prairie Band Casino & Resort allows Sertoma to provide many more free hearing aids & a lifetime supply of the expensive batteries it takes for the aids to function, to seniors in need.
