Safe Kids - Tribal PD Camp

WE ENVISION A WORLD IN WHICH EVERY CHILD IS
PROTECTED FROM UNINTENTIONAL INJURIES.

Safe Kids Worldwide® is a nonprofit organization working to reduce unintentional injuries to children ages 0-14 through injury prevention education. Safe Kids works to reduce traffic injuries, drownings, sleep-related deaths, falls, burns, poisonings, and more. Since 1987, Safe Kids has helped reduce the U.S. childhood death rate from unintentional injury by 61 percent.

Losing one child is one too many, and we don't want any parent to have to endure the loss of a child. We're calling on everyone to come together, to raise awareness, and to get involved so every child has the change to grow up and do all the great things kids were meant to do.
