## FLORENCE CRITTENTON OF TOPEKA

Florence Crittenton Services is a nonprofit, mental health organization serving the needs of youth and families in Topeka and surrounding communities. We operate five programs across three locations, providing a continuum of behavioral health and wellness services.

For more than a century, Florence Crittenton has been a place where compassion meets science—where the power of human connection and the growing science of nervous system health come together to change lives. From traditional therapies to free exercise classes, our team is here to help.
